

Join a meeting without a Teams account

You can join a Teams meeting anytime, from any device, whether or not you have a Teams account. If you don't have an account, follow these steps to join as a guest.

1. Go to the meeting invite and select Join Microsoft Teams Meeting.

2. That will open a web page, where you will see two choices: **Download the Windows app** and **Join on the web instead**.
3. If you join on the web, you can use either Microsoft Edge or Google Chrome.
4. When you're ready, click **Join now**.
5. This will bring you into the meeting lobby. We'll notify the meeting organizer that you're there, and someone in the meeting can then admit you.
